Storage

Tactical Systems

Transmission

Security Management:	DVR/NVR/VMS/Encoders/Decoders/Mobile/Smart -Phones/Communications
Command Center:	Video Walls/Consoles/Control Rooms/Digital Matrix Switchers/Mass Notification
Cameras:	Thermal/Laser/Analog/Hybrid/Intelligent/High-Def/IP
Storage:	RAID/Embedded/Ruggedized
Tactical Systems:	Urban Surveillance/Rapid Deployment/Mobile Command/Tactical Trailer
Transmission:	UTP/Fiber/PoE/IPoX

Software

Video Management: DVR/NVR/Smart-Phone/Mapping/Reporting/Administration/Central Station/Cloud

Mass Notification: VoIP/eFax/eMail/Chat/SMS/Radio/PSAP/video/alarms

Video Content Analytics: Counting/Tracking/Intrusion/Detection/Classification/Speed/Slew

Command Center: PSIM/CMS/C2

Vehicle Mobile Management: Fleet Management/Tracking/Incident Reporting

Custom Application Development: SDK/API/Open Source/ActiveX/Source Demos/Custom Programming

Solutions

- Enterprise-Class End-To-End Security/Communications Infrastructure Management System
- Rapid Field Deployable Video Surveillance/Management System
- Urban Surveillance Observation System
- Long-Range Intelligent Hybrid Camera System
- Integrated Onboard Vehicle Audio/Video System
- Tactical Covert Video & Transmission

Services

- Advanced Security/Communications System Design
- Architectural and Engineering
- Strategic Planning and Risk Assessment
- Program and Project Management
- Audits and Assessments
- Training and Installation Support
- Life Cycle and Logistics Support

Technology Partners

The Aventura Advantage

- ✓ **End-To-End Turnkey Solutions**
- ✓ Technology Readiness Level 9
- ✓ Best-Of-Breed Hardware and Software
- ✓ Custom Engineering and Manufacturing
- ✓ A & E Support
- ✓ Global Footprint
- ✓ Third-Party Integration
- ✓ Made in U.S.A.
- ✓ GSA/WBE/SBE
